

The Registraion Wellcom Page:

1. The doctor / dictributor must verify their email address by entering the TAC number that sent to their email address.

The screenshot shows the 'Welcome to CLINIQ Consent Sign' page. At the top left is the CLINIQ logo with the word 'Registration' next to it. The main heading is 'Welcome to CLINIQ Consent Sign'. Below this is a note: 'Please check to ensure your details are accurate before proceeding.' The form contains three input fields: 'Full Name' with the value 'CHEW CHEE SENG', 'Email Address' with the value 'marfong@cliniq.asia', and 'TAC Code' with the placeholder 'Tao Code'. To the right of the 'TAC Code' field is a green button labeled 'Request TAC'. Below the 'TAC Code' field is a blue button labeled 'VERIFY'. At the bottom, there is a copyright notice: 'Copyright © CLINIQ NETWORK SOLUTIONS SDN BHD. All Right Reserved.'

2. Once the user has requested the TAC by clicking the "Request TAC", a TAC will be sending to him by email that used to login to the platform.

The screenshot shows a notification window titled 'CLINIQ Transaction Authentication Code (TAC)' with a close button (X) in the top right corner. The window contains the following text: 'Your TAC No. has been sent to your Email (marfong@cliniq.asia), as entered during registration.', 'Your TAC Serial No. is EC1553746', and 'If you have not received the Email after 2 minutes, please close this window and request a new TAC.' At the bottom right of the window is a red button labeled 'Close'. The background shows the same registration form as the previous screenshot, but it is dimmed.
